# our family

Jill is looking at photographs of her family.

**Jill** I have one brother, two parents, four grandparents, three aunts, two uncles, and four cousins. My brother's called Mike. We call our parents Mum and Dad.

Mum has a sister called Jenny and a brother called Paul. Uncle Paul is married to Sarah.

Their baby, Lucy, is my cousin. Mum's mother and father are my grandmother and grandfather. I call them Granny and Grandad.

Dad has one sister, my Auntie Helen. Auntie Helen and Uncle Tim have three children, Ben, Tom, and Becky. They are my cousins. I call Dad's parents Grandma and Grandpa. There are lots of names for children to call their grandparents.

**Mike** Write a, b, c, or d by the right photo.

- a** That's Ben in his black jacket and Uncle Tim with his red beard and blue coat. I'm cleaning Becky's glasses with my scarf.
- b** Here's Granny and Grandad with baby Lucy. Granny made Lucy's yellow hat and cardigan but they're too big. Lucy likes Grandad's moustache.

Grandad is wearing his grey suit and Granny is wearing her purple dress.

- c** That's Tom in his green sweater and shorts and me in my white T-shirt and jeans. There's Becky in her red sweatshirt and leggings. One of her boots is falling off.
- d** I don't know who took this photo. I can see my trainers and jeans, my sister's orange dress, Mum's pink skirt and red sandals, and Dad's brown trousers and shoes. I think it's a photo of me, Jill, Mum, and Dad.

plaster

medicine

Jill hurt her ankle at the dancing class. Now she's waiting to see the doctor. There are other patients waiting too. There is a man with a bad cold and a woman with a headache. One of the woman's sons has a black eye and a bruise on his knee. The other son has toothache and a big plaster on his leg. The doctor is giving a baby an injection.

Now Jill and her mother see the doctor.

**Doctor** Hello, Jill. What's the matter?

**Jill** I've hurt my ankle.

**Doctor** Yes ... you've got some cuts and bruises, Jill, but your ankle isn't broken. I'll put a bandage on it for you.

**Jill** Thank you, doctor.

This is Jill and Mike's house. They live here with Mum and Dad, Muddy the dog, and two cats, Tabby and Leo. It's a big house. There's a wall round the garden and a white gate.

Jill is in the living room. There's a mirror over the fireplace and flowers in a vase. Jill is sitting in an armchair. The lamp is on and she is reading. Muddy is on the rug by the fire. He likes sitting on the sofa but he makes the cushions dirty.

Mike is in the dining room. He's sitting on a chair at the table. The door is open. Tabby is in the hall and Leo is on the stairs.

What's that noise? Is it Mum in the garage? No, it's Dad singing in the bath! The window is open but Dad isn't cold because the water is hot. The bath, the washbasin, and the toilet are blue. The curtains, the carpet, the towels, the toothpaste, and the toothbrushes are blue too. Everything in the bathroom is blue except Dad!

Mike and Jill are helping in the kitchen. Jill is putting the plates and the glasses in the dishwasher. She's putting the knives, forks, and spoons in the dishwasher too. The saucepans and the frying pan are by the sink.

Dad is filling the kettle with water from the tap. He's making some tea. Mum likes her tea in a cup and saucer but Dad likes his tea in a mug. Mum's getting a jug from the fridge. The fridge and the freezer are by the washing machine.

16.00

teatime

Mike is putting the salt and pepper in the cupboard. Oh, there's a bowl for the dishwasher! Jill and Mike made a cake today and it's in the oven now. Mike looks at the clock. It's nearly teatime!
